

Student job offer

******* Several student positions are available*******

******* No experience required*******

We are a manufacturing company that specializes in the manufacture of preparation, application, and finishing tools.

We are currently looking for new student talent to join our team for the summer period.

Under the responsibility of the supervisor, the incumbent, depending on the department to which he is assigned, can do (this list is not exhaustive), according to the methods taught:

- Polishing blades;
- Classify blades in the hot chamber;
- Grind and/or sharpen metal parts;
- Check the quality of the blades (before and after the operation);
- Adjust grinding wheels;
- Assemble several types of products;
- Cut different pieces of steel;
- Prepare orders for customers;
- Temper blades;
- All other tasks.

Work hours: (no shift rotation)

- Day 7:00 a.m. to 3:00 p.m.

Or

- Evening 3:00 p.m. to 11:00 p.m.

Summer period only:

- May 1st, 2022 to September 2nd, 2022

Salary :

- \$15.58/hr
- Evening premium \$0.50/hrs
- Premium of \$0.25 to \$0.75/hrs in certain departments
